Answer

MINISTER OF STATE FOR HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (DR. VALLABHBHAI KATHIRIA)

(a) & (b): The question perhaps refers to advanced class Gas Turbines. BHEL, Hyderabad has already diversified into advanced class Gas Turbines to the designs of M/s. General Electric, USA.The first two of these sets (of capacity 70 MW) have been supplied to Tamil Nadu Electricity Board (TNEB) during 2000-01 for their Kovilkalappal and Perungulam Projects.
